

Inauguration Day of the BICOCCA QUANTUM TECHNOLOGIES CENTER "Quantum Science and Technology: State-of-the-art and Perspectives"

Monday, 4 December 2023

Sessione mattutina - Aula Sironi U4-08 (10:00 - 13:15)

time	[id] title	presenter
10:00	[4] From Blue-Sky Research to Quantum Technologies - and back!	ASPELMEYER, Markus
11:00	[5] Semiconductor quantum dots as resource for photonic quantum technologies	HÖFLING, Sven
11:45	[10] Building a full-stack quantum computer in an academic environment: Lessons from the WACQT center, Sweden	GASPARINETTI, Simone
12:30	[6] Unlocking the Quantum Frontier: Harnessing the Power of Entanglement for Cutting-Edge Quantum Technology	PAVESI, Lorenzo
